

Student Staff Member – Commitment Calendar AY 2018-19

The purpose of this calendar is to help you plan for campus and department activities throughout your year on staff. The Director of Residence Life may, at any point, require the residence life staff to handle other tasks during campus activities that affect the residence halls or tasks that deal with emergency situations.

It is strongly advised that you check with your supervisor upon accepting your position and throughout your employment before making all domestic and international flight reservations as all staff are required to attend all training sessions and we are required to have duty coverage during campus breaks & even campus closures this includes weather warnings, alerts and watches.

Your term of appointment is from August 2018 semester until May 2019. Note: continued employment is contingent on meeting expectations, attendance at departmental trainings, and overall positive performance reviews each term.

Each week a staff member has certain requirements that they are expected to attend: a staff meeting on Monday evenings between 7p-11p, a weekly or bi-weekly meeting with their supervisor depending on the area and each area has a Hall Council which will meet in the evenings from Sunday-Thursday which a supervisor may require staff to attend. The earliest a staff member is eligible to leave at the end of a term is no earlier than 48 hours after graduation or with their supervisor's permission.
